INFORMATION DISCLOSURE STATEMENT

December 18, 2001

Hon. Commissioner for Patents
Washington, D.C. 20231

Sir:

Attached are copies of the European Search Report for a related application, a Form PTO-1449 listing references cited in the search report that were not previously submitted on June 27, 2001 and August 13, 2001, and those listed references.

This Information Disclosure Statement (IDS) is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under 37 CFR § 1.97(f), to enable Applicants to comply fully.

Contingent IDS Request Under 37 CFR § 1.97(c): Should a first Office Action on the merits have been mailed before today, please consider this a request under Rule 97(c) to consider this IDS because the search report was issued on October 29, 2001.

As provided by 37 CFR §§ 1.97(g) and (h), no inference should be made that this IDS and the references listed on Form PTO-1449 are prior art or material to patentability merely because they have been submitted for consideration. Also no representation is being made that a search has been conducted or that this statement encompasses all possible material information.

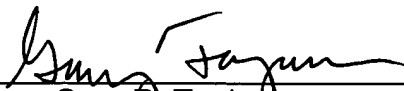

Consideration of the foregoing and enclosures, as well as the return of a copy of the Form PTO-1449 with the Examiner's initials per MPEP § 609, are requested.

IUCHI et al. – Appln. No. 09/758,269

Applicants earnestly solicit an early and favorable examination on the merits. The Examiner is invited to contact the undersigned if any further information is required.

Respectfully submitted,

NIXON & VANDERHYE P.C.
